ABOUT US

Welcome to Vijapurwala Machine Tools, your trusted destination for high-quality hardware and machine tools since 1962. With a legacy spanning over 63 years, we pride ourselves on being a cornerstone of the community, serving generations of customers with dependable tools and unmatched expertise. Founded by Late Haji Abdullahbhai Fakirmohammad Vijapurwala, VMT began as a small, family-run business with a mission to supply top-notch tools to professionals and hobbyists alike. Over the years, we have grown into a trusted name in the hardware and machinery industry, recognized for our commitment to quality and customer service.

What we offer.....

At VMT, we stock an extensive range of hardware supplies and machine tools, from traditional hand tools to modern, precision-engineered equipment. Our inventory includes:

- **Hand Tools:** Garage Tools, Spanners, screwdrivers, hammers, pliers, and more.
- **Power Tools:** Drills, grinders, saws, and cutting-edge equipment for professionals.
- **Machine Tools:** Lathes, milling machines, and industrial-grade equipment.
- **Hardware Supplies:** Fasteners, fittings, and components for every project.
- **Repair Services:** Expert repairs to keep your tools in peak condition.
